spectfully solicit the citizens of Evansville and the surrounding towns and country, to visit his rooms and see the specimens on exhibition, whether these passed the services of a Dentist or not.

Since the issuing of his last elecular and advertisement, over a year since, several improvements and new inventions have been made, of which he has availed himself, and allows nothing that will subserve the interests of his patients, to pass unsecured. His facilities are better and establishment larger, without doubt, than any other in our State, and equal te any h. Eastern citier. All those who need Dental operations performed, and may pleased with his work, shall be afterded to with great pleasure.

Parents should consult the health and beauty of their children by having the Dentist direct their second dentition, thereby producing symmetry and health to those sinvaluable organs. Trregularity of children's toeth corrected sec-

Irregularity of children's tocal constully.

Those having decayed teeth, should either have them extracted or filed at once (the laster if possible). The health of the parties and the remaining teeth demand this.

**Def I take pleasure in introducing Dr. Hase, my successor to the old rooms in Bray's building, heping he will find them both pleasant and profitable. From my intercourse with the Doctor, I am pleased to find him one of the progressing; possessing taste and high professional ability and standing. With this view, I can, with safety, recommend him to the community as a skillful and competent dentist. (may 28)
